SING CHRISTMAS is an interactive community carol service organised by the Leicestershire Churches Media Trust and broadcast live on Thursday 20 December 2007 at 7pm by BBC Radio Leicester.

If you're involved with a church, pub, residential home, hospital, community centre or wherever there's a gathering of people – you are invited to be a host venue for the largest carol service ever in Leicestershire and Rutland.

There'll be live music, well known carols to sing along with, special guests, a unique interactive element to experience – all about the real meaning of Christmas – and broadcast live from the Everards pub 'The Cradock', Knighton Road, Leicester.

To take part in your venue all you have to do is:
